Safe Recruitment policy – DRAFT May 2021

1 Introduction

- 1.1 The purpose of this policy is to set out the minimum requirements of a recruitment process for the staff and volunteers of Transom Trust that aims to:
- attract the best possible applicants to vacancies;
 - deter prospective applicants who are unsuitable for work with vulnerable adults;
 - identify and reject applicants who are unsuitable for work with vulnerable adults.

2 Statutory Requirements

- 2.1 Where there are statutory requirements for the appointment of staff and/or volunteers with Transom Trust, they must always be met – while recognising that those statutory requirements will change from time-to-time.
- 2.2 Transom Trust can continue to recruit Christians as staff and volunteers as long as the requirements in Schedule 9 of the Equality Act 2010 are satisfied.

3 Recruiters

- 3.1 Subject to the availability of training and budget, Transom Trust will move towards a position in which at least one recruiter has successfully received training in safe recruitment procedures.

4 Inviting Applications

- 4.1 Advertisements for posts – whether in newspapers, journals or on-line – will include the statement: “Transom Trust is committed to safeguarding children and vulnerable adults. All postholders are subject to a satisfactory enhanced Criminal Records Bureau disclosure for working with vulnerable adults.”
- 4.2 Prospective applicants will, as a minimum, be supplied with or given access to the following Transom Trust documents:
- Job/Role description and person specification;
 - Safeguarding Vulnerable Adults policy;
 - Safe Recruitment policy;
 - the selection procedure for the post.
- 4.3 All applications must be in writing (either on paper or by e-mail).

5 Short-listing and References

- 5.1 Short-listing of candidates will be against the person specification for the post.
- 5.2 Where possible, references will be taken up before the selection stage, so that any discrepancies can be probed during the selection stage. References will be sought directly from the referee. References or testimonials provided by the candidate cannot be accepted.
- 5.3 Where necessary, referees will be contacted by telephone or e-mail in order to clarify any anomalies or discrepancies. A detailed written note will be kept of such exchanges.

- 5.4 Where necessary, previous employers who have not been named as referees will be contacted in order to clarify any anomalies or discrepancies. A detailed written note will be kept of such exchanges.
- 5.5 Referees will always be asked specific questions about:
- the candidate's suitability for working with vulnerable adults;
 - any disciplinary warnings, including time-expired warnings, that relate to the safeguarding of children or vulnerable adults;
 - the candidate's suitability for this post/role.

6 The Selection Process

- 6.1 Selection techniques will be determined by the nature and duties of the vacant post, but all vacancies will require an interview of short-listed candidates.
- 6.2 Interviews will always be face-to-face. Telephone interviews may be used at the short-listing stage but will not be a substitute for a face-to-face interview (which may be via visual electronic link).
- 6.3 Candidates will always be required to:
- explain satisfactorily any gaps in employment;
 - explain satisfactorily any anomalies or discrepancies in the information available to recruiters;
 - declare any information that is likely to appear on a Criminal Records Bureau disclosure;

- 8.2 Regular meetings will be held during the first 3 months of employment between the new staff or volunteers and the appropriate line manager or project leader.
